# Company Profile

**Moatbrook Ltd**

BUILDING RELATIONSHIPS

Moatbrook is dedicated to being a partner for all of your construction needs. The Difference is Our People, we believe in Teamworks.

Moatbrook Ltd is a family business and was established in year 2009 as a Home Refurbishment, general maintenance services and building firm.

Moatbrook Managing Director  
Experience over 23 years on building, construction industry.

Our Moto is “We believe in quality not quantity” and building relationships.

With exponential growth in construction demand, we are fully equipped to face the challenges of tomorrow in collaboration with our partners.

Moatbrook Builders are based in London and covers the M25 and surrounding areas. At Moatbrook we take great pride in our high standard of Property workmanship.

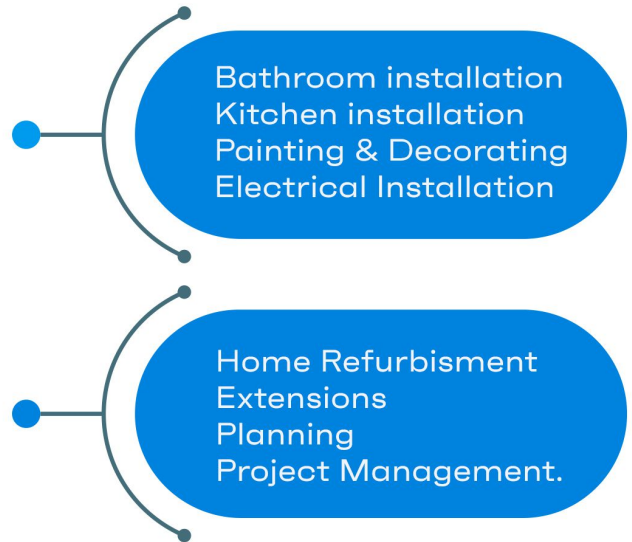

Moatbrook Building services are fully compliant in all Health and safety issues and are a member of CHAS (Contractors Health and Safety Assessment Scheme), Member Federation Of Master Builders and Constructionline.

## Covering all the main Building trades both for the Residential & Commercial Property Projects

All under one roof for reliability, efficiency and most importantly quality control in our attention to detail.

We go to great lengths to ensure that each project goes smoothly, and we are on hand at each stage of construction to monitor progress.

Moatbrook offer easy to understand and competitive quotes. Our Project Management team will take you through each step of the work. All estimates are subject to contract without prejudice. For the best possible results and to ensure the smooth running of your project, quotations will always be given in writing and clearly outline all the work included in the price. This ensures you receive clear and transparent quoting, consistent, open communication and a quality of workmanship second to none. Large or small, from initial idea to finishing touches, our own exacting standards within the building trade.

We work very closely with our clients to ensure that all the works are carried out with minimal disruption.

We have experience of working with Private Clients and large main contractors and as such worked on a number of various types of contracts including Decent Homes, Planned / Reactive Maintenance and Void Properties.

We work closely with our clients to ensure time scales and quality are met.

- Our Refurbishment Teams are very experienced in void property alterations with fast turn-around times to enable rapid re-letting of properties.

- Safety by instinct. We instil our strict safety principles into every member of our team from day one: ensuring the smooth-running of every job from concept through to completion.

## Our work history

20 years as a full-services construction company

2500+ kitchen and bathroom refurbishment projects

over 600 occupied building repairs improvements

1400+ properties of general building work completed
